

AMERICAN
KENNEL CLUBSM

October 19, 2005

Ms. Sharon Pederson, AKC Liaison
Norwegian Lundehund Association of America, Inc.
PO Box 301
Tomales, CA 94971

Dear Sharon:

This letter is to notify you of the decision of the AKC Foundation Stock Service® Committee regarding the Parent Club designation for the Norwegian Lundehund breed.

The decision has been made to recommend the Norwegian Lundehund Association of America, Inc. (NLAA) as the Parent Club for the breed as it progresses toward the Miscellaneous Class and full AKC registration status. This club has proven that they are best prepared to complete the work necessary to reach the goal of full AKC recognition.

A time line for progression into the Miscellaneous class will be based on several issues, including working with AKC staff to ensure the club bylaws and breed standard fall within AKC guidelines. Upon completion of the review and AKC approval, the club would then send both documents to the membership for their vote. Once approved, the recommendation for the move into Miscellaneous is presented to the AKC Board of Directors in a two-step process. Additional information on a time line for advancement will be shared with the club as progress is made.

It is hoped that the Norwegian Lundehund Association of America will welcome all Lundehund fanciers to join the NLAA as the breed moves closer to full AKC recognition.

With best regards,

A handwritten signature in black ink, appearing to read "Pat Lejman".

Ms. Pat Lejman
FSS® Coordinator
